

Local Initiative Facility for Urban Environment
(LIFE Programme)

Our Course Title

How to use the dialogue between the local actors to establish a mechanism to localize the MDGs for the poor urban Dwellers

The Working Groups Exercise:

United Nations Development Programme

Local Initiative Facility for Urban Environment
(LIFE Programme)

LIFE - GLAN

Dialogue – Partnerships .. Makes Difference

United Nations Development Programme

Working Groups: How to..?!

- **The participants of each Working Group will be from similar background**
- **Each WG will select a facilitator and a rapporteur to present the final results**
- **Organize your time to be able to answer all the questions**
- **Think and react putting in mind you are in charge and involved in the future of “LIFE GLAN”**

From the "LIFE" Experience and in case you become a partner..

- **What are the strengths you find in the approach?**
- **What are the challenges and weaknesses?**
- **Who would become your partners to localize the MDGs using the LIFE methodology? (Synergies..)**
- **What are the indicators that would measure your success?**
